TOURNAMENT FORMAT

1. This is a standard scramble format for two players. On every hole, each team member may hit a tee shot. The team then selects one of the tee shots to play for the next shot. Both members of the team then hit from that position. The process is repeated until the ball is holed.
2. There will be (6) six sets of tees. Players who are 65 and over start from the 3rd Tee Box – all other players start from the 4th Tee Box. Teams that have one 65 and over member and one under 65 member each play from their respective tee boxes.
3. If a team scores a birdie or better on a hole – each team member moves back one tee box on the following hole. If a team scores a bogey or worse on a hole – each team member moves forward one tee box on the following hole. If a team scores par on a hole – they remain on the same tee box on the following hole.
4. Each team member age 65 and over will receive a hdcp of 1 shot at the end of the round. A team with two team members age 65 or over will receive a hdcp of two shots (one for each team member) at the end of their round. For example, if a team ends up with a gross score of 75 and both team members are 65 or over, their final adjusted score would become 73.
5. Low score with adjustments wins. Ties will be determined based on scorecard play-offs.
